Please ensure that all items are returned to us in perfect condition with all tags still attached and in their original packaging. We recommend that you send any returns using a track-able postal service and ask for a proof of postage receipt. Unfortunately, we will not be able to give a refund if returned items get lost in the post with no proof of postage. We can only refund return postal costs if the item is faulty. Again, if this is the case, please obtain proof of postage in order for us to refund the cost to you. Refunds and exchanges will be processed within 7 days. Please note if you have ordered several items these may be delivered separately and at different times.
